

# DP420 Duplex Multi-Surface Floor Cleaner

From wall to wall and into the tightest corners, the Duplex can be used in restoration or as an integral part of your daily maintenance program. Clean virtually any floor surface as carpet, grouted ceramic, textured surfaces, rubberized floors and even escalators are no obstacle for the DUPLEX

## INDUSTRY LEADER

- Can clean virtually any floor surface
- Very effective on grouted tile and rubberized floors
- Also cleans carpets, hardwood, profiled ceramics
- If the floor is uneven use the Duplex 2 counter-rotating brushes that scrub the surface with aggressive action
- Twin conveyors lift the dirt-filled solution from the brushes to a central recovery tank or you can choose to double scrub the area picking up the water later
- Brushes and drive unit are offset, so the brushes work right up to the edge of the machine and into difficult corners
- Brush options include 2 grades of black brushes for regular or aggressive scrubbing , grey is the standard all purpose brush and yellow is for sensitive carpet areas
- Excellent as a replacement for bonnet cleaning or interim cleaning
- Our industries best restoration machine when used in conjunction with hot water extraction

### Brush options include:

- Grey is the standard all-purpose brush
- Two grades of black brushes for regular or aggressive scrubbing
- Yellow for sensitive carpet areas

# DP420 Duplex Multi-Surface Floor Cleaner

## SPECIFICATIONS

Solution Capacity: 1.6 GAL

Recovery Capacity: 1 GAL

Cleaning Width: 14"

Brush Motor: 1000W - 1.3 HP

Brush Pressure: 57 LBS

Brush Speed: 780 RPM

Power Cord Length: 35'

Weight: 68 LBS

## KEY FEATURES

- Simply fill the solution tanks and squeeze the trigger to feed cleaning solution onto twin counter-rotating brushes
- Conveyors recover the dirty water, depositing it in the central recovery tank or you can choose to double scrub the area and pick up the water later
- Offset brushes and drive unit work right to the edge of the machine and into difficult areas
- Remarkable performance resulting from unique 800,000 bristle brushes counter-rotating at 780 rpm, actively lifting dirt, water and grime from the floor surface, replacing mops, buckets, scrubbers and wet vacuums
- Counter-rotating brushes lift the pile as required by carpet manufacturers
- Excellent for hotels and high-occupancy buildings as the carpet dries in less than 30 minutes
